

The Buzz this week ...

We are half way through the first term and we are all so impressed with how the children have returned to school, proven by their enthusiasm and clear enjoyment on entering the classrooms each morning. Well done to everyone for helping to make the transition back to school such a fantastic one.

This week we were visited by Dorset fire and rescue who gave lessons to our reception, year 2 and year 5 pupils. They focused on issues such as the work of the Fire & Rescue Service, the dangers of playing with matches, the importance of smoke alarms, having a fire plan, and dialling 999 in an emergency. The children came away with a sound understanding of fire safety and thoroughly enjoyed their lessons.

Just a polite reminder that the end of the school day is a busy time for all, if someone who is not on your consents form appears at the end of the day to collect your child/ren and we have not been informed, we will have to seek verbal permission before they will be allowed to leave. Therefore please can you inform the class teacher or the school office if going home arrangements change. Thank you.

We hope you have a great weekend.

**Starting school for the first time in September 2020?
Or an existing parent that would like to have a look around our academy?**

- We are holding some academy tours for families with children due to start school in September 2020 as well as existing families that would like to have a look at the changes that have been made across the academy. Please call the office for details.

School Website

- The school website is a useful source of information for events and activities happening around the school and in your child's class. It also has information and links for the parent on line payment system, ParentMail, uniform and ordering hot school meals.
- It is your 'one-stop-shop' for all school information available 24/7!
- www.bovington-aspirations.org

Lunch Boxes

- Please remember that we are a 'nut free' school, therefore please can we ask that children do not bring into school any foods or snacks that contain nuts in any form including:
- Peanut butter
- Nutella (chocolate spreads without nuts are fine.)
- We do have children in school that have nut allergies so it is very important that they do not come into contact with any products that contain nuts.

Many thanks for your support.

Books for Africa

- Thank you all for the generous donations of books, we managed send over 9 boxes to Africa!!

The PTFA are interested in recruiting like minded and supportive parents. If you are prepared to offer to help, even if you can only do a little bit, I know that they would love to hear from you. You can find out more by enquiring at the school office.

Key Dates :
