

The Buzz this week ...

Well, we have come to the end of a long term, I would like to extend my thanks to everyone who has supported the school this term, in any way at all - it's fantastic that our school is at the centre of such a warm and supportive community, and we all look forward to strengthening our links in the new year.

The Trust has had some strong interest in the leadership role of the academy and is confident that there will be a good field of candidates for the interviews which will take place at the end of January. The trust would like to extend its thanks for the continued support of all members of the academy community during this time.

It's been a busy last week and I hope you enjoyed the wonderful KS2 Production. We are immensely proud of all the children for producing such incredible Christmas performances; it was plain to see that so much hard work had been put in to making each performance so special.

On Thursday the children had a fantastic Christmas Lunch. All staff, aided by the PTFA helped serve the children who loved their crackers, party hats and delicious food. Thank you to everyone for making it such an enjoyable day. The photos overleaf capture a little of the atmosphere.

We hope you have a fantastic Christmas and superb New Year!

Reminders:

Hot School Meals for January 2020

If you would like your child to have a hot school meal when we return in January please remember to order on-line by **Sunday 29th December** at www.dorset.mealselector.co.uk 01202 691038
