

The Buzz this week ...

What a busy week we have had.

We sent home several letters this week, one informing you that influenza is beginning to circulate in certain parts of the UK. The best protection against seasonal influenza is the annual vaccination. If you have not given online consent for your child/ren to receive this vaccination please do so as soon as possible.

We also informed you that a number of staff and children have had diarrhoea and vomiting over the last few days. To prevent these virus' from spreading it is very important for everyone to practise good hygiene so please can we work together to ensure children wash hands with soap and warm water regularly. If you would like to find out more, there is lots of useful information on the NHS website.

Can I say a big thank you to everyone who supported 'Movember' today everyone looked fab in their moustaches and all money donated will go towards the early intervention of all fathers, brothers, sons, grandads, uncles and friends who need support with mental health.

Lastly, just a reminder that you can still reserve tickets online for the Christmas performances, free of charge at www.sims-pay.co.uk

We hope you all have a lovely weekend.

Emergency Closure in the case of Severe weather

This seems an appropriate time to inform you of our emergency arrangements if severe weather should occur. Arrangements should the school need to close are as follows:

If you have internet access you can log onto:- <https://mapping.dorsetforyou.gov.uk/closedservices>

Local radio stations are expected to broadcast school closures and display them on their websites although this may take some time. We will also send out a text message to all parents, and display information on the school website. If the weather conditions deteriorate during the school day, we will always endeavour to contact you by text message or phone and the school will remain open until all children are collected. Please ensure that the school office has your up to date mobile number and, if you haven't already supplied this information, the names of parents or relatives who we could ask to collect your children if you are unavailable.
