

Communication Flow Chart

At Bovington Academy we are committed to providing the best possible education for all pupils. Nevertheless, we understand that from time to time parents and carers will have concerns they wish to raise. Our aim is to resolve any such concerns at an early stage and, where possible, on an informal basis. The details set out below provide guidance on how concerns can be raised. We are confident that the vast majority of matters can be addressed through these channels but our Complaints Policy (available in the policies section of the website) provides further details of how formal complaints can be made.
