

The Buzz this week ...

I hope you all had a restful half term. The children have settled back in really well, and we have had another busy week.

With the news that we are now in another national lockdown, we would like to take this opportunity to let you know that we take your children's safety very seriously. Our risk assessment is available on request; however this is constantly changing to reflect new risk factors and associated control measures.

As previously communicated, can we please remind parents and carers to wear a face covering when they drop off and pick up their child from school. This will help prevent the spread of viruses. If you do not have a face covering then we will ask you to wait at the gate whilst a member of school staff collects your child/ren and brings them to you. Thank you again for all your support and we will keep you updated with any changes as soon as we are able.

On Monday this week our Year 5 & 6 classes enjoyed an exciting day starting their new topic WWII, where the children dressed up as soldiers, evacuees and children of the generation. They then took part in a number of activities throughout the day such as code breaking in maths, making poppies in art and building shelters etc. Please visit our website / Facebook page for more wonderful photos. A huge thank you to parents for providing the fabulous costumes.

Next week the Dorset Health care team will be on site to administer the Flu vaccination. If you had problems completing the online form you can contact them on Tel: 01425 891162.

We hope you have a wonderful weekend.

Extra Layers

As we have the windows and doors open during the day to help with ventilation, please can children wear an extra layer underneath their school shirt like a white vest or t-shirt to keep them warm. Can children also bring in a coat, hat and gloves etc. now the weather is turning colder. Please also ensure all clothing is clearly named. Thank you.

Parent Survey

As per the ParentMail that was sent home earlier this week, please could you take the time to complete the questionnaire to help us prepare for remote learning in the event that your child needs to self-isolate. Schools have a legal responsibility to have remote learning in place for any child who cannot attend school because of COVID-19. Thank you in advance.

Parent Consultations

Monday 16th and Wednesday 18th November

You will be able to book your appointment with your child's teacher from Friday 6th from 3.30pm onwards via ParentMail. If you are unable to use ParentMail please call the school office who can book your appointment for you.

Many thanks

School Closure

From time to time, in severe winter weather, or other emergency situations, it may be necessary to close the school early, or not open at all. If the decision is made before school starts not to open, the information will be passed to the Guard Room and to Dorset County Council. The County website displays the official list of up-to-date school closures. The radio stations refer to this list for their own broadcast. You can view the school closures list directly online at:

<http://mapping.dorsetforyou.com/closedservices>. **We will also send out a text message on Parentmail – please ensure that you are signed up with your correct mobile telephone number to this service.**

Key Dates :

Wednesday 11th November – Wear something red for Armistice Day - £1 donation

Thursday 12th November – Flu vaccination

Monday 16th & Wednesday 18th November – Parents Virtual Evening

Friday 20th November – Staff training day (school closed to children)

World War II Costume Day

REMEMBRANCE
