

The Buzz this week ...

Well done to every single one of you for all you have done during this period of school closure. It has been lovely to see the children coming back into school

We really have had some much needed fun this week celebrating our love for Science. It's been a week full of investigations and scientific fun! Please check out our Facebook page for more action-packed photos.

Whilst we are welcoming everyone back to school, it is important that we all still continue to follow government guidance and procedures. If your child has any Covid symptoms, please keep them off school and get a Covid test. Only on sending in a negative result may your child return to school. If the result is positive or your child is still symptomatic, please follow government guidelines for isolation and let school know as soon as possible so that we can contact track and trace, complete a risk assessment and decide next steps to prevent contamination.

Now that everybody is back at school, the roads are busier and there are more children around. Under no circumstances should you stop, park or drop off on the yellow zig zag lines or double yellow lines outside the school during the stated times.

Please help keep Bovington safe for our children and families by parking further up the road. Thank you for your cooperation.

Contact Details

Following the return to school after such a long period, your circumstances may have changed. You must ensure you have made us aware of any changes. It is vital we have the correct contact information on file for your child. This could include a change of address, contact numbers, your listed emergency contacts, or a separation of parents/change to children's living arrangements.

Reminder - Drop off and Pick up times:

Staggered drop off and pick up times will be as follows; For families with siblings in different classes/phases, for convenience all siblings can be dropped off and collected with the sibling in the last time slot.

Phase	Timings	Location – drop off	Location – pick up
Year 5 & Year 6	8.40am/3pm	Main gates	Main gates
Year 3 & Year 4	8.45am/3.05pm	Main gates	Main gates
Year 1 & Year 2	8.50am/3.10pm	Main gates	Outside classrooms
Reception	8.45am/3.05pm	Reception side gate	Reception side gate
Siblings	8.50am/3.10pm	Main gates	Outside classrooms

Medication in School

Asthma inhalers, auto injectors and medicines! Please don't forget to bring any asthma inhalers, auto injectors back to school. It is very important that a spare is always held in the classroom with your child. If your child is on any new medication, please do book an appointment via the office to discuss how we can help during school hours. In this instance, please bring the medicine to the school office to complete the necessary paperwork. No other medicines will be administered in school, nor should your child carry anything in their book bags. If you would like to discuss any details please do let us know.

Key Dates :

Last day of term: Thursday 1st April; early finish @ 1.30pm - no after school provision

Easter Holiday: Friday 2nd April – Friday 16th April

Attendance at School:

Please be reminded that it is YOUR responsibility to report your child's absence if they are unable to come to school. The DfE's guidance states that **school attendance** will be "mandatory for all pupils from **March 8**". The usual rules on **attendance** will apply, including parents' legal duty to secure their child's **attendance** at **school**. The number of absences are currently unusually high (understandably so) but you must inform us if your child is unwell. You can do this in the following ways:

- E-mail the school office: office@bovington-aspirations.org
- Telephone the school 01929 462744, or leave a message on the answerphone provided.

Are you leaving?

Will you be moving or have you received notification of a new posting? If so, does your child/ren no longer require a place at Bovington Academy?

Can you let the school office know as soon as possible to complete a notification of departure form, organise your child's leaving report and to help us with the transfer preparations.

Many thanks
