Bovington Academy Kid's Club

Kid's Club is run by Bovington Academy and exists to provide high quality wrap-around childcare for our parents.

Our aim is to provide quality wrap around childcare that is safe and promotes good educational and healthy outcomes for those that attend and that is convenient and value for money for working parents and those that want to make use of the facility.

It provides a range of stimulating and creative activities in a safe environment.

The club operates from 8 am – 8.45am and from 3.15pm – 5.30pm, Monday to Friday. Term time only.

The club is organised and led by our trained and qualified learning support assistants and support staff to ensure that your child is safe, has fun and is properly cared for.

All our academy policies apply to Kid's Club including Safeguarding and Behaviour.

The Principal is responsible for the quality of provision and service that is offered.

As part of our commitment to our community, places are assigned first to pupil premium pupils, full-time working parents that want full-time provision and then on a first come, first served basis.
