AN ASPIRATIONS ACADEMY

At Bovington Academy we are committed to providing the best possible education for all pupils. Nevertheless, we understand that from time to time parents and carers will have concerns they wish to raise. Our aim is to resolve any such concerns at an early stage and, where possible, on an informal basis. The details set out below provide guidance on how concerns can be raised. We are confident that the vast majority of matters can be addressed through these channels but our Complaints Policy (available in the policies section of the website) provides further details of how formal complaints can be made.

If you are writing to the school it is really helpful if you give us as much information about the background of your concern or complaint as possible, including who it involves, and what you would like the outcome to be. At any stage, please allow the staff to deal with your concern in a timely manner and discuss with them when they think they will be able to respond.

We know this is a bit of a strange year  
and a lot of things e.g. trips,  
residential, visitors are still tbc, but  
we are really looking forward to having  
everyone back and hope your children  
have a wonderful year!  
Welcome back!
