Thursday 14th & Friday 15th December

School finishes @1.15pm on the last day of term

Staff Training Day

Tuesday 2nd January 2024

Dear Parents/Carers,

As we approach the final week of term, we would like to introduce our new style newsletter which will be sent out weekly every Friday. We are aware that you get many notifications from us and we wanted to streamline our communication. From now onwards, all general communication will be via Class Dojo on school or class stories; please make sure you are signed up. Any official information will be via Parent Mail email. The school FaceBook page will also be revamped so more information is regularly shared via this platform too. We hope this means less duplication moving forwards.

There are many Christmas events happening next week and we look forward to seeing as many of you in the school as possible. It is lovely to see such involvement and engagement from the community. Have a fabulous weekend everybody!

Sara White (Principal)

Headlines

Good OfSTED Report

We are incredibly proud of our latest OfSTED report. A massive thank you to everyone in the community that has helped to achieve this. Full report available [here](#).

Bronze Ambassadors Trained up

Some of Year 5 and 6 students have recently completed their Bronze Ambassador training. This is a PE focused scheme where children are then given the responsibility to work with younger children to provide further opportunities to get active at lunch time!

Well done to... Roxi, Alfie, Adrian G, Tam, Rosie, Elsie, Imogen & Jayden
