Lunch boxes

We know and appreciate that all children like a treat, however, please remember that we encourage children to bring in items in their lunchboxes that support a healthy, balanced diet. Please come and see us if you need any support with this.

Reading Over Christmas

As the nights draw in and the weather turns icy, there is no better time to snuggle up and read. The Christmas holidays are a wonderful time to encourage your child to read and get talking about books. Maybe you could:

- *visit the library and get lots of Christmas books to put under the tree and each night chose one to read together
- *talk about a series they've enjoyed and maybe Santa can gift the latest in the series or a book by the same author
- *Take photos of your child reading and post these on class DOJO. Who knows... there might even be a prize in store?

Dear Parents/Carers,

Well here we are at the end of the first full term of the school year and September feels like it was a long time ago! This Autumn term has been packed with learning from the Anglo-Saxons to the Victorians, educational visits and of course all of our wonderful Christmas themed activities.

We were overjoyed to receive our 'Good' Ofsted grade earlier in the term and cannot thank you all enough for the support you give us; all the help with homework, reading with children, coming into school for events and being on hand to discuss things as they arise – ultimately this all supports our children.

That just leaves it for me to wish you all a very happy Christmas from the Bovington Academy Team. I hope you all enjoy this special time with family and friends and we look forward to welcoming you all back in 2024!
