

Reminders

Pirate Ship

Please can we remind everyone that children should not be playing on the pirate ship at the end of the day when they are walking out of school. We do not want any injuries!

Pickups

Could we please ask that when you know your child is being picked up by another family member or friend for a playdate, that you let us know. This can be through Dojo, on the gate or over the phone. We cannot let children leave us otherwise. Thank you.

After school provision pick up times

If your child attends after school provision can we please remind you that they need to be picked up at or before their session time ends.

Session 1 - 16.15

Session 2 - 17.30

Upcoming Dates

Thursday 30th January

Y2 & Y3 iOi STEM Junk Bot workshops

Thursday 1st February

Reception class to Wool Library

Friday 2nd February

Year 4 Show and Tell of Stop Animation

Dear Parents/Carers,

As we continue to plod through the winter months it has been a pleasure to see the learning taking place around school this week:

The Reception class have enjoyed their first visit to Wool Library to further support their love of reading books.

Year 1 children have been learning about the works of David Hockney and recreating some of his work using watercolours.

Year 2 have been learning how to write newspaper reports to great effect. Year 3 have been investigating which materials are reflective through experimentation.

Year 4 have been practising and refining their balances in gymnastics ready to put into a sequence.

Year 5 have cracked long multiplication! Woop!

Year 6 have had a visit from a Maritime Engineer, talking about their role and what this involves. Some high level content and questions from pupils...

All of this in one week is pretty impressive going! Looking forward to what next week will bring

Headlines

Purbeck Sports Events for Years 1 & 2

A group of children from our Year 1 & 2 classes attended a multi-sports event held at the Purbeck School recently. The children took part in curling, speed bounce & ladders, extreme rock paper scissors, switch it & weave to name a few. All run by year 10 sports leaders. Superb team work, lots of smiles & amazing participation.

Year 6 class - Live Stream for Livingstone Academy

Our year 6 class have been treated to a live session from Sir Ian Livingstone, explaining how he co-founded the Games Workshop company and worked on the Dungeons and Dragons and Tomb Raider games.

Family Learning

FREE Family Learning Course for
Parents, Carers and Grandparents

FA2340F The Art of Maths

at Bovington Academy

An engaging short course that promotes the use
of early maths through art projects that
incorporates early maths skills within activities.

4 week course starting Thursday 1st February 2024 | 9:30am - 12pm

This course will allow parents and
children to explore maths concepts in
a playful and creative way that is
more enjoyable and memorable to
support your child's learning.
