Reminder – Hot School Meals

As we move into the summer term we wanted to share with you what is available through our hot dinners provider; IFG Primary. They have a **new summer menu** out and a planned 'Picnic in the Park' themed day with a special menu available **here**.

If you are interested in signing up, please **click here** to get started.

You could also receive Free School Meals, saving each household up to £400 a year. You can check if this applies to you by **clicking here** and answering a few questions. If you would like any support with this process, please come and see us.

Day of the Military Child:
Wear purple to school

Dynamos Cricket Festival Yr. 3/4

Friday 26th April

Year 1 trip to Wessex Wild Farm

Dorset Cricket Board in school

Dear Parents/Carers,

Maths is more than just numbers... It helps rockets reach the moon. It helps you get the perfect amount of ingredients into your cookies. It helps engineers build everything from sheds to bridges. The language of maths is as important as the languages we read, write and speak.

In school, we aim for our lessons to bring maths to life and help children see the connections between maths and the real world.

We also know that everyone learns at their own pace. We want all of our children to feel supported and challenged.

But maths isn't just about getting the answer right. We encourage our young mathematicians to ask questions, explore different approaches, and learn from mistakes. This helps them develop a growth mindset and a love of learning that will stay with them throughout their lives.

Learning maths isn't just about memorising numbers. It's about solving problems, thinking critically, and becoming confident. By learning maths, you'll develop skills that will help you throughout your life, no matter what you dream of becoming.

So next time you see a number, remember – it's an invitation to explore a world of exciting possibilities!

Year 4 Art Workshop

Holly from Purbeck Arts Week (PAW) spent the day with Year 4 to create seagull and fish puppets which will be exhibited at Rollington Barn in May. It was fabulous to see the children being so resilient and persevering to create such high quality end products. Mrs Muraro was particularly proud of how independently they worked. Now to apply that to making insect puppets in a few weeks time!

Baby Ducklings

Our reception class has had a delivery of duck eggs to help launch their topic of 'Down on the Farm.' The children will be taking an active role in caring for the eggs and then ducklings once they begin to hatch!
