

# MFL at Bovington Academy

## What does MFL look like at Bovington?

Weekly Spanish lessons for Year 3, 4, 5 & 6 based on the Language Angels scheme.

Children are given opportunities to listen to new vocabulary, speak, read and write Spanish on a regular basis.

## What learning opportunities are available?

For KS2 pupils - weekly, high quality lessons based on the Language Angels scheme.

Regular opportunities to listen, speak, read and write Spanish.

## Why do we learn MFL?

Learning a new language broadens children's horizons in the way it introduces them to other countries' celebrations, festivals, culture and language.

Learning new languages has been shown to improve cognitive function such as: memory, problem solving and creativity.

## Our vision for MFL

At Bovington, we recognise the importance of allowing our children the opportunity to explore different cultures and traditions. We have a duty to expose our pupils to global ways of thinking and broaden their cultural horizons.
